Dinoflex Flooring Application Guide

Choosing the right flooring for your space has never been easier. Our Application Guide is a quick-reference chart that matches Dinoflex flooring solutions to the environments where they perform best. From high-traffic retail areas to quiet educational spaces, fitness centers, offices, and even outdoor play zones, the guide helps you select the ideal product for durability, comfort, and style. Whether you need slip resistance for safety, acoustic control for learning environments, or vibrant design for commercial spaces, this tool ensures you make the perfect choice every time. It's your roadmap to flooring that fits your needs - and exceeds your expectations.
