Inspire confidence in every area of your facility with quality flooring underfoot. Our non-vulcanized process creates tough, odorless mats without the use of harmful solvents or VOC’s. Whatever comes through your door, whether it’s skate blades, metal cleats, rolling loads, or rough equipment edges, Dinoflex has got you covered.

**Features:**
- Non-vulcanized
- Great traction - wet or dry
- Heavy duty dense material
- Ergonomic
- Impact Absorbing

**Benefits:**
- Certified for indoor air quality with no odor
- Prevent costly injuries from slips & falls
- Easy to clean
- Low maintenance costs
- Reduces soreness, fatigue in muscles & joints
- Decreases vibration & noise

Ultra-durable rubber
Let Us Introduce Ourselves
Dinoflex has been a leading innovator in the manufacturing of recycled rubber products for over 30 years. We work closely with industry professionals to meet their building and flooring needs with premium quality, rubber flooring, exterior tiles, and custom products.

Size: 4' x 6'  Thickness: 7mm; 12mm; 15mm
