Keep livestock and pets safe, clean, and healthy with Dinoflex's animal friendly mat. Our non-vulcanized process creates tough, odorless mats without the use of harmful solvents or VOC's making them safe for indoor and outdoor use. Dense rubber creates an anti-slip surface making for easy clean-up of urine, waste, dirt, and debris. Whether it's treating a sick or injured animal, or keeping them healthy Dinoflex Barn Mats have it covered.

**Features:**
- Non-vulcanized
- Great traction - wet or dry
- Extremely dense
- Ergonomic
- Heavy Duty

**Benefits:**
- Safe for use in enclosed spaces with no odor
- Reduce costly injuries from slips and falls
- Easy to clean
- Hygienic conditions for healthier animals
- Prevents wear on joints
- Relieves inflammation from injury or arthritis
- Reduce long term costs of replacing degrading footing & bedding

It’s about protecting your herd.

Rubber Reimagined

stalls / milking parlors / walkways / wash stations
Let Us Introduce Ourselves
Dinoflex has been a leading innovator in the manufacturing of recycled rubber products for over 30 years. We work closely with industry professionals to meet their building and flooring needs with premium quality, rubber flooring, exterior tiles, and custom products.
