

We are hiring a team player to perform **Industrial Cleaning** duties in Salmon Arm, BC!

Dinoflex is a fast-growing company with dynamic goals which provides our employees with a challenging and rewarding workplace experience guided by our core values. ***Passionately doing what is uniquely different is who we are.*** We are currently looking for a **Night Shift** team player to join our team!

At **Dinoflex**, we embrace a set of core values. These values form the foundation from which we carry out work tasks, make decisions and conduct ourselves on a daily basis. ***Safety Above All*** tops our list of core values, followed by ***Customer Intimacy, Employee Care, Business Innovation*** and ***Extreme Ownership***. The successful candidate will need to identify with these core values to be a positive member of the team.

Your job will be entirely at our headquarters in Salmon Arm, BC. We start you at **\$22.00** per hour on a full-time basis.

You get two weeks of vacation each year and can be taken on an earned basis. Any vacation requests must first be approved by your supervisor.

If you do successfully complete the 90-day probation period, we welcome you to participate in the Extended Health Benefit Plan. This plan is 100% funded by Dinoflex so there is no cost to you.

You are entitled to five paid sick days per calendar year as per provincial regulations.

Your mission is to maintain a clean, safe, and organized work environment across all areas of the facility. This begins with ensuring the offices are cleaned and ready for the day before moving on to cleaning manufacturing equipment and production areas. This requires attention to detail, following direction from your supervisor, and being proactive in identifying areas that need care. Above all, you must do this with a ***Safety Above All*** attitude and a commitment to ***Employee Care*** taking pride in your work and supporting the well-being of everyone who uses the space.

You will be assessed on these objectives:

- Completing daily cleaning tasks in the main office.
 - Washrooms, Offices, Floors, Lunchrooms, Walls, Windows
- Safely operating PLC and manually controlled machinery.
- Using air and hand tools to clean manufacturing equipment.
- Locking out, climbing under and around equipment.
- Maintaining a clean and organized production facility.

- Assisting your Production Supervisor with various tasks as assigned.

To be successful you will need to be competent in the following skills:

- Be coachable.
- Follow-through.
- Correctly follow directions.
- Be reliable and dependable.
- Work with minimal supervision.
- Accurately pay attention to detail.
- Able to be an effective team-player.
- Be genuinely curious about your work.
- Operate with a Safety Above All attitude.
- Be passionate about doing something that is uniquely different.

We look forward to receiving a resume from you! Please send your cover letter and resume to HR@Dinoflex.com. The successful candidate will be contacted for an in-person interview and can start working with us soon.

“We believe when we help our customers succeed, we succeed.”
